The screenshot shows a web browser window with the URL `rossedu.com/course/3/task/58/show`. The page displays a video player for a lesson titled "Lesson 1: Introduction to Abnormal Psychology". The video content shows a slide titled "Deviance" with three bullet points:

- ▶ Departure from the norm; from usual or accepted standards
- ▶ Influenced heavily by time, place, cultural context, and individual circumstances
- ▶ Something considered a deviation in one context may NOT be considered a deviation in another context.

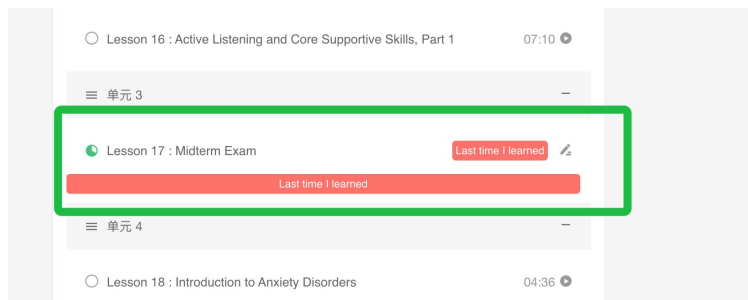

A red arrow points to the "Subtitle" button in the video player controls, which is highlighted with a red box. The video player also shows a progress bar at 04:24 / 10:00 and a "Subtitle" button. The video player interface includes a "Play continuously" toggle, a "任务 completed" status, and a "Learned" button.

On the right side of the screen, there is a "Syllabus" section listing the following lessons:

- Lesson 1: Introduction to Abnormal Psychology (09:59)
- Lesson 2: Reading – What is Abnormal Psychology?
- Lesson 3: Reading: Classifying Mental Disorders
- Lesson 4: Assessment, Diagnosis, and Classification (06:04)
- Lesson 5: The Biological Model (05:21)
- Lesson 6: The Psychodynamic Model (08:36)
- Lesson 7: The Cognitive Behavioral Model (07:35)
- Lesson 8: The Humanistic Model (06:47)

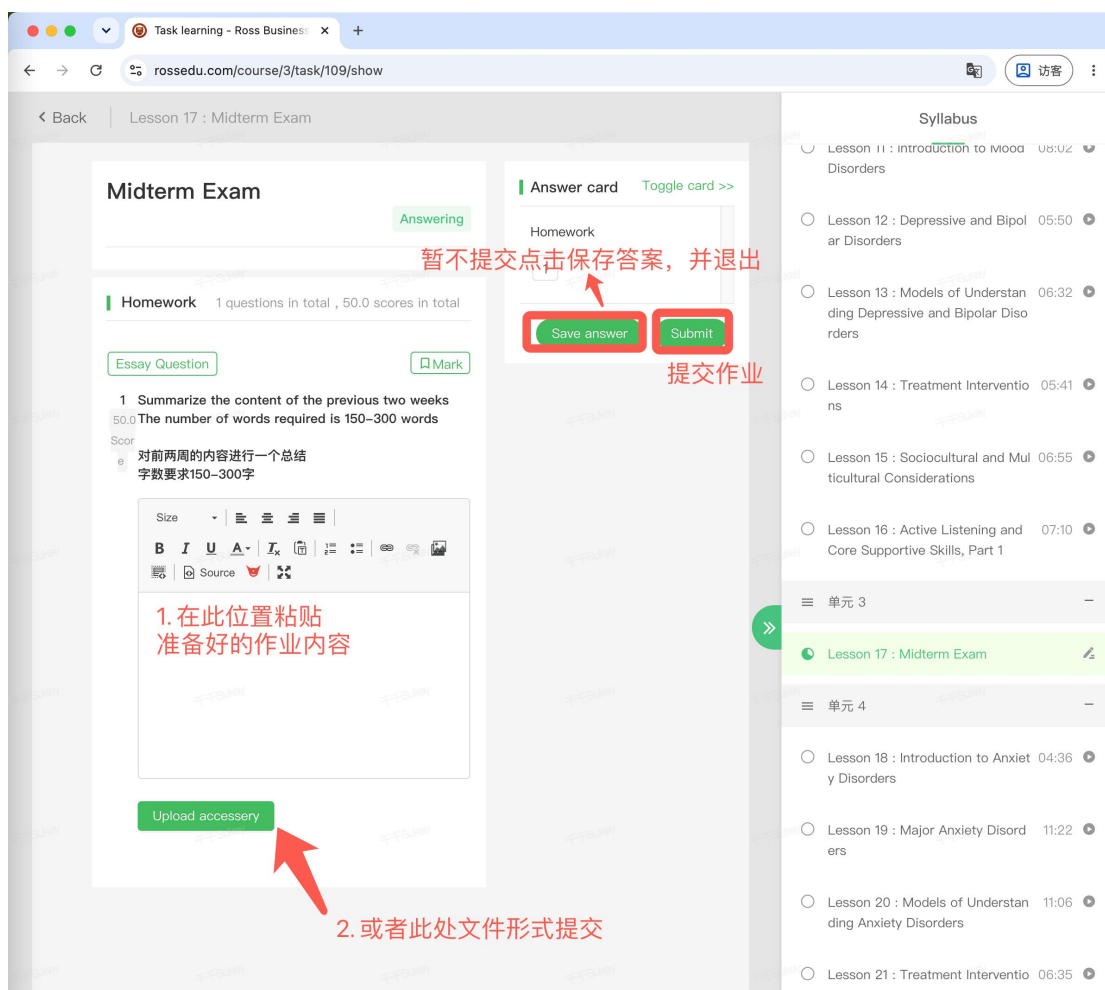

5. 作业
