Open Letter,

Dear Valued Customers and Partners,

Phu Cuong Co., Ltd. would like to extend our sincere greetings and best wishes for your health and success. With over 22 years of experience in precision plastic component manufacturing and mold fabrication, we are proud to be a trusted partner for both domestic and international clients. We continuously invest in advanced technology, modern machinery, and skilled personnel to meet the highest standards of quality and precision.

Our vision is to become a leading **OEM/ODM** manufacturer in Vietnam, specializing in **plastic components, mold making, and precision engineering** for automotive, home appliances, industrial and electronics sectors. We provide comprehensive solutions from design and mold making to mass production, ensuring optimal cost and quality.

Guided by our core principles:

- *Quality as the Foundation*
- *Credibility as the Commitment*
- *Partnership as the Core Value*

Phu Cuong always places customer benefits and satisfaction as our top priority. We believe that sustainable cooperation is built on transparency, flexibility, and long-term mutual development.

We sincerely look forward to the opportunity to collaborate and become your trusted manufacturing partner in the near future.

Sincerely,

Managing Director
